This is shaping up to be one of this year's major events without all the travel expenses and the time off work. Skatetown USA has been host to the Great Lakes Regional Championships, The Buckeye Easter Invitational and the Ohio Buckeye Speed League since it was built. The facility is in a beautiful location just north of Cincinnati. The Skatetown website is <http://www.skatetownusa.us/>. Stop in and check it out!

The speed skating floor measures 85'x 185' and boasts a hardwood maple floor and will be freshly coated with Roll On, which by no doubt makes it one of the fastest floors in the country. Vendors will be on hand to focus on any questions you may have regarding the latest products and equipment!

With 57,000 square feet of space in a building that's as large as a warehouse; there will be plenty of room to stretch out on the off skate area, including a roller hockey facility, Skatetown USA also offers an expanded video arcade, a Noble Roman's Pizza, full-service concession area, a pro-shop, lockers and 750 pairs of inline and roller rental skates.
